### EverCache Technology Insanely Fast WordPress Hacked? Backed Up Power Tools

Google says they lose 20% of their traffic for each additional 100 milliseconds it takes a page to load. Speed matters. Google also incorporates your page-load time into your site's search rankings. Faster sites win, literally. That's why WP Engine hosting services custom-built our EverCache technology to deliver WordPress fast enough for Google, and at scale. Morbi bibendum enim in malesuada euismod. Sed et congue nisl. Nam aliquam suscipit purus, id lacinia nibh dapibus nec. Ut diam neque, vehicula eu neque eu, rhoncus aliquam tortor. Aenean suscipit orci sed leo sodales auctor. Nam eu pharetra ligula, vehicula rutrum ante. Integer placerat magna at ipsum fringilla, sed placerat lacus.

- Lorem ipsum dolor sit amet, consectetur adipiscing elit. - Donec et nisl pretium, congue quam in, ornare odio. - Nulla posuere eros eget dolor suscipit, sed tempor orci ornare. - Donec lobortis tortor ac dui auctor imperdiet. - Maecenas sit amet neque lacinia lacus lobortis facilisis.

Never configure a caching plugin again. Our WordPress hosting architecture is hand-tuned to deliver you the fastest WordPress

hosting around. And we give you our word that we'll never take your site offline for having too much traffic. Morbi bibendum enim in malesuada euismod. Sed et congue nisl. Nam aliquam suscipit purus, id lacinia nibh dapibus nec. Ut diam neque, vehicula eu neque eu, rhoncus aliquam tortor. Aenean suscipit orci sed leo sodales auctor. Nam eu pharetra ligula, vehicula rutrum ante. Integer placerat magna at ipsum fringilla, sed placerat lacus. We automatically scan for, and fix, hacking attempts to secure your site. Our guarantee: We'll do everything we can to ensure your WordPress site won't get hacked. And if your WordPress site still gets hacked, WP Engine hosting services will fix it? at no additional charge to you. Morbi bibendum enim in malesuada euismod. Sed et congue nisl. Nam aliquam suscipit purus, id lacinia nibh dapibus nec. Ut diam neque, vehicula eu neque eu, rhoncus aliquam tortor. Aenean suscipit orci sed leo sodales auctor. Nam eu pharetra ligula, vehicula rutrum ante. Integer placerat magna at ipsum fringilla, sed placerat lacus. No more wrestling with (or paying extra for) backups! We include a one-click backup and restore option ? at no extra charge. And we install WordPress security updates proactively ? so you can sleep easily at night. No other WordPress host secures you like we do. We love WordPress developers and have an array of tools and services to help you build the best custom WordPress sites. Morbi bibendum enim in malesuada euismod. Sed et congue nisl. Nam aliquam suscipit purus, id lacinia nibh dapibus nec. Ut diam neque, vehicula eu neque eu, rhoncus aliquam tortor. Aenean suscipit orci sed leo sodales auctor. Nam eu pharetra ligula, vehicula rutrum ante. Integer placerat magna at ipsum fringilla, sed placerat lacus.
